Taiwan - Thailand

Industrial Collaboration Summit

2017 Taiwan-Thailand Industrial Collaboration Summit

Thailand and Taiwan has established strong industrial, economic and cultural interaction and cooperative relationship over the past many years. In response to the global development of innovative technology and in order to strengthen the cooperation in innovation and smart technology-driven industries as well as discovering related business opportunities, the Federation of Thai Industries Thailand (FTI) and CNFI (Taiwan's Federation of Industries) will jointly host "Thailand-Taiwan Industrial Collaboration Summit Forum" on July 27th, 2017 on the second floor of the Plaza Athenee Hotel in Bangkok. The forum aims to connect the talents of Food Biotechnology, Textile, Culture and Creative, Smart Machinery and IT Service industry in Thailand and Taiwan. We are pleased to invite academic experts and industry professionals from the above mentioned fields to discuss about future collaboration models and possible projects.

Time: July 27, 2017 (Thu) Place: Plaza Athenee Bangkok, A Royal Meridien Hotel (2ed floor) Agenda:
