Mie - Thailand Innovation Center celebrates its 1st anniversary

On the occasion of the 1st Anniversary of the Mie – Thailand Innovation Center, 4th February 2020, Mrs. Anong Pajitprapapon, President of National Food Institute (NFI), Dr. Nattapon Rangsitpon , Director General of the Department of Industrial Promotion (DIP) , Ministry of Industry and Mr. Uematsu Shinya, Director of SME and Service Industry Promotion Division, Department of Employee and Economic Affairs, Mie Prefectural Government joined the ceremony.

The Mie – Thailand Innovation Center was established on Wednesday, 14th November 2020 with an aim to introduce food processing of Mie Prefecture and promote cooperation between companies in Thailand and Mie Prefecture.

On this occasion, DIP, NFI and Mie Prefecture organized 1st Anniversary of the Mie – Thailand Innovation Center on Tuesday, 4th February 2020 at Thai Food Heritage Building, NFI. The event included a seminar on “the Secret of Mie Food: Fulfills Thai Consumers” and Japanese products presentation by Japanese companies from Mie Prefecture
